President University

Where Tomorrow's Leaders Come Together

Undergraduate Program

S1 Regular

Welcome to President University!

President University is devoted to excellence in teaching, learning, research and developing leaders in many disciplines who make a difference globally.

The University, which is based in Jababeka Industrial Park, Cikarang, is the largest industrial estate in SEA, home to 2,000+ multinational companies from 34 countries (USA, Canada, UK, Germany, France, The Netherlands, Korea, Japan, China, Taiwan, Malaysia, Singapore, Australia), has an enrollment of over 2,000 degree candidates every year, including undergraduate, graduate, and professional students.

Reasons to Choose President University

- **English-Speaking University**

English-Speaking University: President University uses English as the medium of instruction in all lectures, ensuring that students develop strong English language skills.

- **International Environment**

International Environment: President University has a strong international environment with a high number of full-time international students. This provides opportunities for local and international students to connect and learn from each other.

- **Save Time**

Time Efficiency: President University offers a curriculum that allows undergraduate students to complete their studies in just over 3 years, saving time compared to traditional 4-year programs.

- **Portfolio Building Curriculum**

Portfolio Building Curriculum: President University focuses on practical experiences and offers various opportunities for students to build their portfolios through internships, social projects, and concentration/minor programs.

- **Value for Money**

Value for Money: President University offers a wide range of scholarships, making higher education accessible to all prospective students.

YEAR 1

YEAR 2

YEAR 3

President University offers a curriculum that focuses on building students' portfolios and practical experiences throughout their academic journey. Here is an overview of the Year 1-3 programs:

- **Internship Experience Program or Startup Building Program (Semesters 1-2):** Students have the opportunity to participate in an internship or startup building program to gain practical experience in their chosen field.
- **Internship Experience Program or Startup Building Program (Semesters 1-2):** Students have the opportunity to participate in an internship or startup building program to gain practical experience in their chosen field.
- **Concentration and Minor Selection:** Students choose a concentration and minor program based on their interests and career goals. The available concentrations may vary depending on the chosen study program.
- **Streams Program:** Students pursue one of the four streams: Internship, Mobility, Scholar, or Startup. Each stream offers unique opportunities for students to further develop their skills and gain valuable experiences.
- **Internship Stream:** Students engage in an internship program related to their chosen field.
- **Mobility Stream:** Students have the opportunity to study abroad or participate in an exchange program.
- **Scholar Stream:** Students explore and secure scholar opportunities during their third year.
- **Startup Stream:** Students focus on building their own startup or entrepreneurial ventures.

President University Internship Program

Experience is a valuable opportunity for first year students to gain practical experience, and prepare for future career opportunities.

How to Join President University?

Admission and Application Requirements

All freshmen applicants - both international and Indonesian candidates - must complete the Application form along with the required documents.

You will need to submit :

- A copy of KTP or student ID card or for international student are the certified copy of pages of your passport stating your full names, date and place of birth and expiration date of the passport
- A certified copy of your original academic diploma in the original language
- A certified translation of your original academic diploma in the original language (for international students)
- A certified copy of your transcript (list of grades/marks) in the original language
- A certified translation of your final transcript (list of grades/marks) in English.

Explanation of "certified copies"

Certified copies are either copies which bear the original logo or stamp of (1) the institute (the school) which issued the original document (2) an Indonesia Embassy or consulate, (3) translations which bear the stamp of the sworn translator who translated the original document.

Required English Standardized Test

A strong knowledge of English is essential for successful study at President University, including the ability to understand and express thoughts quickly and clearly. We require standardized English test scores at minimum of 400 from TOEIC (Test of English for International Communication) at the freshman first year.

Although you are not required to take the Test of English as a Foreign Language (TOEFL) or other proficiency exams, you may submit your scores if you have done so.

President University Scholarships

In recognition of academic excellence and leadership potential, President University offers a variety of scholarship to new students pursuing their full-time undergraduate studies in President University.

Scholarships are generally awarded to students based on academic merit and good co-curricular sports records.
