Dear Luis,

Thank you for your interest in Study In Flanders.

Due to the ongoing government negotiations after the past election, the new budget for the Master Mind scholarship has not yet been set. It is expected (but not confirmed) to be renewed for the coming academic year so if students wish to apply, they should do so already.

As soon as funding for the academic year 2025-2026 has been approved by our new government, the official call for the scholarship will open. Please keep an eye on our website for more information.

Kind regards,

---

**Onderwerp:** Inquiry Regarding Master Mind Scholarships

Dear Sirs or Madams,

Greetings from Guatemala.

I am writing to inquire about the **Master Mind Scholarships**.

Upon reviewing the main link on your website regarding these scholarships, it states that the call for applications has not yet opened:

<https://www.studyinlanders.be/scholarships/master-mind-scholarships>

However, when checking the section on how to apply, I noticed that application deadlines are listed for the host institutions:

<https://www.studyinlanders.be/scholarships/master-mind-scholarships/host-institutions>

In fact, I observed that one university has already closed its application period (KU Leuven: January 15), and another is about to close (University of Antwerp: February 1).

Could you kindly clarify the following:

1. Is the **Master Mind Scholarships** application currently open?
2. If it is not open, when is the official launch of the call for applications expected?

I look forward to your response and appreciate your assistance in this matter.

Sincerely,

**Luis Edgar Arenas**
